2019/20 School Year

Close of registration for 2019-2020: Monday, January 14, 2019, 4:00 PM

Applications are accepted during the Open Enrollment period between January 1, 2019 and January 14, 2019. If the number of applications exceeds the capacity for a given grade level, a lottery will be conducted the school day after the close of registration. All on-time applications will be included in our lottery for open spots for the 2019-2020 school year. Applications received after the deadline will be assigned available space on a first-come, first-served basis or placed on the waiting list if no space exists after the lottery.
